End of Precision Design Package

If you have other design stationary or items you feel you would like to include, please specify them in the spaces below. We will be more than willing to assist you in designing them.

Type of stationary	Description	Example

Terms and conditions

- 1.) 3 design drafts provided based on the clients requirements and recommendations.
1 finalized design with unlimited enhancements until the client is satisfied.
- 2.) All designs done are both print ready and web ready, saving the time needed for deployment over the web and off the web.
- 3.) Content such as company address, postal code and any content that the client wishes to appear on any design option picked has to be provided by the client. Should the client require copy writing for the content, please let Precision Projects know before hand so that they can create allowance for the time taken to create the content.
- 4.) Please take note that all printing is subject to the market price of ink and material set by the printing company we are contracted with, if the client prefers to engage his own printers, please let Precision Projects know so that the cost of any deliverables will be solely based on the design process.
